Our questions for the MLW

- ***Why we do this?***

Sharing best practices of IC reporting in universities, regions and nations at European level, in order to ensure the know-how transfer to the project and contribute to developing the blueprints.

- ***How will we do this?***

Setting the two working groups for the Blueprints on IC reporting

- ***Which will be the outcome?***

Blueprint: IC Reporting for Universities
Blueprint: IC Reporting for Regions and Nations
